

Instruserv Middle East Services

Specialist in Measuring Instruments Servicing and Calibration

IMES is Certified to ISO 9001:2008 by TUV

- **Installation, Commissioning and Servicing of Analytical Instruments, CNC Machines and Online Analyzers**
- **Calibration of Analytical Instruments**

ABOUT US

Instruserv Middle East Services (IMES) is the first multi-vendor service company located in the Middle East. This region has not enjoyed the type of service and support the rest of the world demands. Although, relatively new to the area, our company consists of multiple service technicians, factory trained in field support and service. Servicing multi-vendor systems is our specialty.

Instruserv Middle East Services (IMES) provides best solution for analytical instruments used in testing laboratories in pharmaceutical, food, petrochemical, environmental and research fields. We provide a wide range of maintenance programs for your ICP, OES, ICP-MS, AAS, HPLC, TOC, IC, GC and GC-MS Systems. We service most of the major manufacturers Gas chromatographs, Mass spectrometers; ICP, IC and TOC. These include

From installation to final calibration, our reputation for fast response, competent repairs, and excellent workmanship is widely recognized.

IMES will consistently provide services that meet or exceed the requirements and expectations of our customers. We will actively pursue ever improving quality through programs that enable each employee to do their job right the first time and every time. We will continually improve the effectiveness of the Quality Management System and it will be reviewed for continued suitability.

ACTIVITIES

Sales	Service
Installation & Commissioning	Calibration
Setting up and Renovation of Testing Laboratory	Automation Support
Online Analyzers	Weather Station (AQMS) Maintenance
CNC Machine	User Training For Analytical Instruments

OUR SERVICES

A. Installation, Commissioning and Maintenance:

1. Analytical and Laboratorial Testing Equipments.

- Inductive Coupled Plasma Mass Spectrometry- (Perkin Elmer-Elan),
- OES-Optical Emission Spectrometry (Hilger Analytical Polyvac),
- TOC –Total Organic Compound Analyzer (Teledyne Tekmar)
- IC –Ion Chromatography (Dionex),
- AAS-Atomic Absorption Spectrometer (Perkin Elmer),
- GC,GC-MS- Gas Chromatography (HP Series 5890,6890,Agilent 7890)
- CS-Carbon- Sulphur Analyzer (Eltra ,Lecco)
- Conductivity meter
- Ph meter
- Spectrophotometer
- Oven
- Water bath
- Hardness testing Machine.

3. CNC Machines

- Repair and Maintenance
- Scraping Services
- Retrofitting Services
- Spindle Reconditioning
- Installation and Commissioning of Machinery
- Reduced Installation Costs and Faster Commissioning of Machinery By our well trained technical teams
- Preplanning schedule.

4. Weather station

- Provide periodical maintenance of Particle counter, online gas analyzer, Temperature loggers and solar power system used for weather station.

5. Online Monitoring Analyzer

Provide periodical maintenance, Installation and service.

6. Analyzing Power Conception of Electrical and Electronic Equipment

2. Non-destructive Testing (NDT) Equipment

- Portable X-ray Generator Crawler machine-IPSI
- Tack welding unit
- Feritscope-Fischer Technology.
- Hardness tester –MIC 10-GE
- Ultrasonic Thickness Gauge.
- Densitometer
- Temperature Chart Recorder
- Magnetic Particle Yoke

B. Automation Support.

C. Calibration:

- Electronic Weighing Balance
- Compression Machine (Accuracy)
- Oven
- Climatic Chamber
- Refrigerator/Freezer
- Water bath/Incubator
- PMI- X-Ray Fluorescent Spectroscopy (Olympus, Thermo Etc).
- Temperature Chart Recorder
- Temperature Indicator
- Various Gas Analyzer / Detector
- Flow detector.
- Flow Calibration of Respirable Dust Sampler
- Measuring Container Pipette, Flask
- PH Meter
- Conductivity Meter
- Ferrite Scope
- Hardness Tester
- Densitometer
- Magnetic Yoke
- Magnetic Field Indicator
- Flaw Detector
- Thickness Measuring Instrument

* Oil in Water Analyzers-

*Calibration conformance for OE, ICP etc.

*Gas Chromatography:

We calibrate all kind of Gas Chromatography equipments

* Internal Air Quality Monitoring and Environmental Monitoring Equipments.

- Testo Flue gas analyzer
- VOC analyzer, Various Gas analyzers (RAE, Photo Vac, KD airbox, BW Extreme, Etc)
- Sound level meter
- Dosimeters

Sales

Online Analyzers –

Gas Analyzers: Total Sulfur, CO₂, H₂S

Liquid Analyzers: VOC in Water, Oil in Water, H₂S in Liquids (Crude, Water, & more

Electronic Balance

Load Cell

Load Shack

Our Full range of service includes the following

Installation Commissioning and Calibration

**Preventive maintenance
Corrective maintenance**

**Sales
Service & Support**

INTRUSERV MIDDLE EAST SERVICES
